

PANG ZIJUN (LYNN)

Facilitator/Implementation Consultant | Arbinger Singapore/Malaysia

To date, she has supported numerous organisations and their leadership teams including:

- T-Systems Malaysia
- Tenaga Nasional Berhad, Malaysia
- Red Ribbon Bakeshop
- Amman Mineral, Indonesia
- PLUS, Malaysia
- Metro Pacific Tollways Corporation
- Dentons (China) Xian Office
- Ouroboros Overseas Study Counselling Studio, China

Zijun graduated with a first class Bachelor in Economics from Northwest University of Politics and Law in China and gained her Postgraduate certificate in Education (focusing on counselling) with merit.

She is a certified Arbinger Facilitator. Before joining Arbinger, Zijun was a school lead counselor who led a team of counselors. She implemented initiatives to meet the needs of her team as well as the students and was active in establishing school-community partnerships that supported student development and educational outcomes.

Her adopted counselling model which embedded time management, life and people skills have been proven helpful. It has helped team members to be effective in their counselling roles and supported students in their development of academic, personal/social/emotional, and career skills.

Currently, her main responsibility is supporting the facilitation of outward mindset workshops with a heavy emphasis on supporting leaders/individuals and teams through the post-workshop implementation for sustainable transformation.

Arbinger is the world leader in mindset change. Through training, consulting, coaching, and implementation tools, Arbinger enables individuals, teams, and organizations to change from the default self-focus of an inward mindset to the others-inclusive focus of an outward mindset. Arbinger provides strategies and behavioral reinforcements that sustain this change. The result is dramatic and sustained improvement in the key success indicators of our client organizations—in their levels of collaboration, employee engagement, accountability, revenue growth, market share, and profitability.
