

LOW ENG SIANG

Associate Consultant | Arbinger Singapore Malaysia

Proven leadership and ability to achieve results.

Spearheaded reorganization/restructuring to streamline operations for optimal output and move ahead in the organization excellence journey, winner of MINDEF Excellence AWARD and Minister for Defence AWARD.

Exceptional ability to think out of the Box and provide excellent value propositions.

Instrumental to the introduction of NSmen framework, WOW! OJT program and modular servicing to provide maximum aircraft availability. Instrumental in setting up aircraft maintenance center locally and overseas.

Excellent influence skill.

Approachable and effective leader that can work and earn respect from all ages of staff with strong ability to build a cohesive team for excellent result. Work closely in partnership with commercial contractors for common goal of effective operation. Managed and deal with different background

and hierarchy of personnel, their route of advancement, training, welfare, mentoring and overall human resource management. As facilitator, trainer in Leadership and self deception and a coach, enabling the discovery of the wow! in the individuals.

Exceptional organizational skills.

Strong ability to plan, initiate and implement projects. A good problem solver and a team player.

Extensive operation experience.

Twenty eight years experience in logistics management including engineering, project management and management of maintenance of aircraft. Achieved exceptional operational results in operations, with existing Helicopter assets, retiring two platforms, commercializing one platform and operationising a new platform.

Extensive leadership and operation experience.

Highly motivated and experienced leader, with extensive knowledge in aviation system maintenance,

design and engineering development, supply chain management, communications, innovations, operations, strategy and people management. Awarded National Day PINGAT PENGHARGAAN(TENTERA) Commendation medal (military) in 2004 which is given to a member who clearly place oneself above his peers through commendable achievements in military command or staff work, or performed service over and above the call of duty. Lead in National level Conference for international audience. Also lead a team in quality management for eight years to achieve robust quality system.

With my experience in leadership, quality management, skills in building robust teamwork, influencing individual and teams to perform and passionate in revealing factual evidence in auditing, I am confident to value-add to any organisation and be an asset to continue to bring across the transfer of value.

Arbinger is the world leader in mindset change. Through training, consulting, coaching, and implementation tools, Arbinger enables individuals, teams, and organizations to change from the default self-focus of an inward mindset to the others-inclusive focus of an outward mindset. Arbinger provides strategies and behavioral reinforcements that sustain this change. The result is dramatic and sustained improvement in the key success indicators of our client organizations—in their levels of collaboration, employee engagement, accountability, revenue growth, market share, and profitability.
